# C310dn Specifications

**OKI**  
PRINTING SOLUTIONS

## Outstanding features, at no extra cost.

Most people would assume that a small workgroup colour printer that's this fast and this capable is going to stretch their budget. But the fact is we've taken the advanced features you'd expect to pay extra for, such as double-sided printing and built-in networking, and included them as standard.

The result? Impressive print speeds, striking image quality, excellent media flexibility - and a full three-year warranty for extra peace of mind - in a versatile, compact printer that is within your budget.

### Take on every office job

Not only is it fast enough for all of your regular office printing, but it delivers superb image quality with a stylish glossy finish even on card stock and specialist media. The result is that you can print far more of what you want, when you want - including high quality customer-facing promotional material - without spending money with high street print shops.

- ProQ2400 multi-level output quality, 1200 x 600dpi print resolution
- A6 to A4 and up to 1200mm banners; card stock up to 220gsm
- Microfine High Definition toner for superb print quality

- OKI Template Manager makes it easy to create and print a range of different document types

### Get more done, faster

The processor and memory combined help to deliver a fast first page out time and rapid throughput; an intelligent ECO mode automatically speeds up small jobs, reduces energy consumption, as well as saving you money. Plus, automatic two-sided printing comes as standard and a convenient multi-purpose tray (MPT) lets you print longer runs on specialist media.

- First page prints in just 9 seconds, continuous colour print speeds of up to 22ppm (up to 24ppm in black and white)
- 266MHz processor & 64MB memory
- ECO mode improves throughput performance and reduces energy consumption
- Automatic two-sided printing reduces paper consumption and saves money
- Standard paper supply of 350 sheets, including 100-sheet MPT (can expand to 880 sheets)

### Desktop-friendly

Replacing the consumables is quick and simple and a backlit LCD display provides clear, real-time information about the status of the printer at all times. The C310dn fits seamlessly on any desk space for easy arms-reach access to all your printed documents.

- Easy-to-replace consumables, with a separate drum unit for fewer user interventions
- Backlit 2-line x 16-character LCD display for clear, real-time status information
- Compact, low profile design lets you pick up your documents with absolute ease

### Built to last

Look beyond the thoughtful ergonomic design of the C310dn and you'll see it's tough enough for the most demanding workloads.

- Ultra-reliable digital LED print technology, pioneered by OKI and proven over 20 years
- Durable components and robust design
- Industry-leading three-year warranty as standard
